# CLOSET *Art* Garage Cabinets

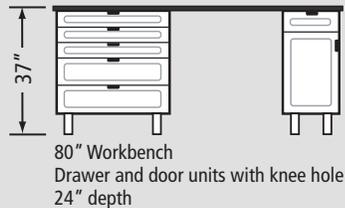

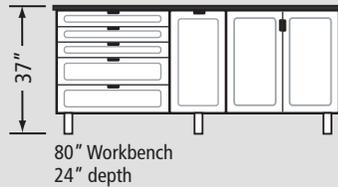

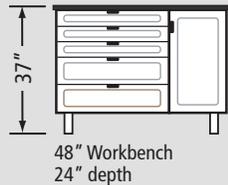

Closet Art cabinets come in ten great powder-coated colors. Closet Art powder-coats all cabinet exterior surfaces, creating a seamlessness superior to plastic, paint or laminate, and resists chipping, denting, peeling or warping, making it perfect for the typical garage environment. They look great, and they'll stay that way!

## Workbenches

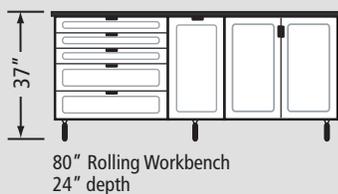

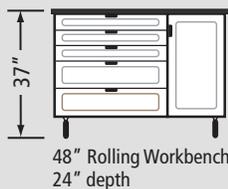

Move your workbench to your workspace with a Rolling Workbench. Stationary Workbenches are great for working in a fixed area.

Workbenches are available in widths of 32", 48" 64" and 80", and use the same lower cabinets, drawers and bins as our regular garage cabinets. Mix and match components to create your perfect garage workbench.
