Epoxy Flakes

Metallic Epoxy

Blended  
Epoxy Flakes

# Create a floor that stands out

with a beautiful and expertly installed epoxy floor

## Built to Impress

- Professional-grade materials and installation.
- We diamond-grind and repair existing cracks before installation to allow for peace of mind that you can enjoy your beautiful and long-lasting floor for years to come.
- Your floor will be chemically and mechanically bonded for no peeling, hot tire marks, or staining, and allowing for easy and non-toxic chemical care.
- Choose from a wide variety of spectacular flake and metallic finishes, allowing you to color coordinate with your entire home decor.

# Q&A:

- Q** How do I prepare my garage for installation?
- A** Empty your garage completely (no need to sweep or mop)
- Q** How long until I can walk on the floor?
- A** Do not walk on the floor during installation or for 24 hours after we install the top coat
- Q** How long do I need to leave my garage door open?
- A** Leave your garage door open for 9 hours after we install the base coat, and 6 hours after top coat
- Q** How do I clean my new floor?
- A** Use non-toxic, pet-friendly cleaning products

## Warranty

Epoxy Garage Floors: Limited Lifetime Warranty

**Residential Includes:** Against peeling and delamination for as long as customer owns the home and against hot tire marks and stains for 10 years.

**Commercial/Industrial Buildings:** Warranted for 3 years for peeling/delamination and staining from incidental spills.

**Exclusions:** This limited warranty does not apply to normal wear and tear, or any damage to floor coatings caused by damage to floor coatings, abuse, neglect, extreme temperatures, staining or peeling by cracking of substrate, battery acid, brake fluid or the result of accident.

"Our mission is to provide the best customer service via excellent communication, organization and attentiveness."
